INFORMATION CIRCULAR PF NO. 3 OF 2015

FSB MEDIA ROUNDTABLE – UNCLAIMED RETIREMENT FUND BENEFITS

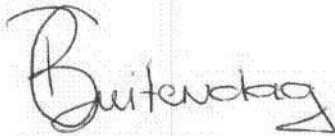

The Retirement Funds department of the Financial Services Board ("the FSB") will be hosting a media roundtable on unclaimed retirement fund benefits with media representatives on Wednesday, 19 August 2015.

The proposed agenda items for discussion at the roundtable event are-

1. Context in which there has been a rapid growth in the number of unclaimed benefits in recent years and legislative and regulatory measures taken in the past to address the problem
2. Unclaimed benefit statistics
3. The various reasons members and beneficiaries do not receive benefits due to them
4. Current practices of funds with regard to unclaimed benefits
5. Current assistance provided by the Retirement Funds Division of the FSB to members of the public in identifying and accessing unclaimed benefits which may be due to them
6. What members and beneficiaries should do if they believe that there are unclaimed benefits due to them
7. Advice to the public that they do not need to use intermediaries to claim benefits due to them and warning about unscrupulous conduct by some intermediaries
8. Requests to funds and their members to co-operate to create and regularly update the funds data bases to minimise the further growth in the number of unclaimed benefits

The FSB's objective in hosting this discussion is to seek the assistance of the media in making members and beneficiaries aware of their rights in relation to unclaimed benefits that may be due to them. It is anticipated that this awareness campaign will lead to an increase in the number of enquiries to our office, pension funds and administrators. As this is aimed in resolving an industry wide problem, funds and administrators are urged to be prepared and to assist as far as possible in dealing with these enquiries.

Yours faithfully
